LAKELAND LEISURE ESTATES

Description

Introducing the Elm Wide Beam: A Premier Collaboration

Lakeland Leisure Estates and Elton Moss are proud to unveil their latest joint venture: the **Elm Wide Beam**. This extraordinary 65ft x 12ft wide beam boat, currently under construction, is a testament to masterful craftsmanship, exquisite design, and unmatched quality. This collaboration brings together the renowned expertise of Elton Moss with the trusted reputation of Lakeland Leisure Estates, culminating in a vessel that promises to redefine luxury on the water.

Discover the Elm Wide Beam

The Elm Wide Beam transcends the typical boating experience; it is designed to be your personal floating waterside apartment. Crafted with meticulous attention to detail, this vessel offers an unparalleled level of luxury and comfort. Whether you're seeking a serene retreat or a stylish home on the water, this wide beam is tailored to meet the highest standards of elegance and functionality.

Key Features:

- **Elegant Layout:** The Elm boasts a thoughtfully designed interior with two double bedrooms and a flexible living room that includes a pull-out sofa. This layout provides ample space and versatility, making it ideal for both relaxing getaways and full-time living.
- **High-End Finishes:** Step inside to discover a sophisticated interior featuring oak effect panel linings, solid oak trims, and pristine white ceilings. The kitchen showcases a sleek quartz worktop with matching splashback, while the duck egg galley doors add a touch of contemporary style. The wardrobe, with its oak frame mirror glass, and the bathroom, finished in stylish white and grey, exemplify the boat's commitment to quality and aesthetics.
- **Modern Comforts:** The Elm widebeam is equipped with LED lighting throughout, enhancing the bright and airy ambiance of the central open-plan saloon. Practical features include a removable rear deck table on Desmo legs, perfect for dining al fresco, ensuring that elegance is matched with everyday convenience.

Advanced Specifications:

- **Engine:** Powered by a 60hp Canaline diesel engine paired with a PRM hydraulic gearbox, the Elm wide beam delivers robust performance and reliability.
- **Steering:** The stern features hydraulic steering with a conveniently positioned steering wheel to port, providing effortless maneuverability.
- **Bow Thruster:** A VETUS 95kgf bow thruster ensures precise and responsive handling, enhancing your navigation experience.
- **Diesel Tank Capacity:** The boat includes a minimum 250-litre diesel tank, pressure tested for optimal safety and efficiency, equipped with a flame arrestor for added security.
- **Doors:** The vessel features double glazed steel front and side doors, as well as a steel rear door with easy access steps, ensuring durability and convenience.

Experience the Legacy

The Elm Wide Beam, born from the collaboration between Lakeland Leisure Estates and Elton Moss, represents a new pinnacle in floating luxury. As we near the launch of this remarkable vessel, stay tuned for further updates and get ready to immerse yourself in a new standard of boating excellence.
