Description

Introducing the Pioneering All Electric 60ft Narrowboat - A Lakeland Leisure Estates Innovation

Discover the future of boating with our revolutionary creation, the Brand New All Electric 60ft Narrowboat. As the first of its kind from Lakeland Leisure Estates, this cutting-edge vessel has been meticulously crafted to redefine your boating experience. Designed by the renowned Collingwood, this masterpiece promises unmatched luxury and eco-conscious exploration.

Step into the spacious L-shaped dinette, a versatile space that effortlessly transforms into a comfortable double bed, offering a restful night's sleep without compromising on style. Enjoy your meals surrounded by panoramic views of serene waterways or relax with a book, bathed in the gentle glow of the overhead reading lights.

Retire to the tranquil master cabin, where a plush double berth awaits, ensuring rejuvenating nights aboard. The master cabin boasts thoughtful storage solutions, including overhead cupboards equipped with convenient reading lights for evening relaxation. With two spacious drawers beneath the bed and a generous double wardrobe, you'll have ample space to stow away your belongings.

Unwind in the inviting lounge area, featuring a state-of-the-art 32" television for your entertainment. As you soak in the panoramic vistas, the heart-warming ambiance is enhanced by the presence of a 4.5kw solid fuel stove, providing both visual and physical warmth.

Embrace the future of boating with our eco-conscious design. The All Electric 60ft Narrowboat is a testament to Lakeland Leisure Estates' commitment to sustainable exploration. The all-electric propulsion system ensures a clean and silent journey, minimizing your carbon footprint without compromising on performance.

Crafted with precision and passion, this boat showcases Collingwood's dedication to innovative design. Every detail has been meticulously considered to deliver an experience that transcends expectations.

Immerse yourself in the elegance of Lakeland Leisure Estates' first all electric boat. Navigate waterways with grace, comfort, and a clear conscience, all while indulging in the epitome of contemporary luxury. The Brand New All Electric 60ft Narrowboat is not just a vessel; it's a statement of modernity, sustainability, and opulence on the water.
