BOAT SALES

LAKELAND LEISURE ESTATES

Description

Ollie is a delightful Dutch River Cruiser brimming with charm and potential. At 30 feet long and 8 feet wide, this 7-ton steel beauty is the perfect blend of compact efficiency and cosy comfort. Powered by a reliable four-cylinder Peugeot marine diesel inboard engine, Ollie features two steering positions—one inside the wheelhouse and another on the top deck—making her a versatile choice for cruising in any weather.

Inside, Ollie offers a thoughtfully designed layout that maximizes every inch of space. The galley is simple yet practical, with a worktop, hob, under-counter cupboard, and space for either a fridge or oven. It's a functional spot to prepare meals while enjoying riverside views. Adjacent to the galley, the lounge area features two fixed benches and a removable table that can be lowered to create an additional sleeping space. Surrounding shelves and a small cupboard add extra storage, making the space both cosy and efficient.

The master bedroom, nestled below the top deck, is a private retreat with a double bed, under-bed storage, and side shelving for your essentials. For dining or relaxing, the dinette offers an L-shaped bench and a table that converts into yet another sleeping area, making the boat ideal for solo trips, couples, or small groups. The bathroom is compact but functional, with a toilet and storage shelf for your necessities.

Ollie's exterior features add to her appeal. The open front deck is perfect for relaxing or taking in the scenery, while the steel hull provides durability and stability. Her layout—from the master bedroom at the stern, through the wheelhouse and bathroom, to the galley, lounge, and forward deck—offers a balance of practicality and comfort.

This cute and cosy cruiser is perfect for anyone seeking a compact vessel with character. Whether you're dreaming of a tranquil floating home, weekend getaways, or a rewarding restoration project, Ollie has the potential to become something truly special. Take the helm and let Ollie bring your river cruising dreams to life!
