BOAT SALES

LAKELAND LEISURE ESTATES

Description

Embark on unforgettable journeys aboard the Sun Ray, a 33ft cruiser stern narrowboat that exemplifies floating elegance and practical design. Crafted in 2009 by the renowned MCC Narrowboats, this vessel combines traditional charm with modern amenities, promising both adventure and tranquillity on the water.

From stern to bow, Sun Ray is meticulously planned to maximize space and comfort. The rear of the boat features a convertible area that can effortlessly switch between a cosy bedroom and a welcoming sitting room, perfect for relaxing after a day of cruising. The central kitchen is a culinary haven with a Thetford oven, coolbox fridge, and sleek floor units, opposite which sits a convenient pump-out toilet facility.

Moving forward, the front section offers additional versatility, easily transforming between a lively seating area during the day and a peaceful bedroom at night, ensuring that every inch of space is utilised efficiently.

Sun Ray has been maintained to the highest standards, with its last hull treatment in February 2020, including new anodes and a detailed inspection of its robust hull (thickness: 10; 6; 4 mm). This rigorous upkeep reflects its pristine condition and readiness for immediate enjoyment.

With its beautiful lines and functional design, it offers an idyllic escape for those who dream of a life less ordinary. The boat's exceptional condition and versatile amenities make it a prime choice for discerning waterway enthusiasts looking for a day cruiser or a comfortable weekend home on the water.
